

2020 WSIA Winter Conference's Sponsors & Exhibitors Program

WSIA will host our annual Winter Conference's in January 2020. These meetings are open to WSIA employer, service company, and associate members statewide and invited guests. This year's Winter Conference series will take a multidisciplinary look at the importance of improving communication in handling of workers' compensation claims. The agenda showcase experts in medicine, psychology, claims management, return to work, human resources, and more on just how best to do that when difficult or potentially controversial issues arise. And networking lunch where members connect and exchange ideas and meet new members, as well as a limited number of exhibitor booths featuring important products and services. Your sponsorship gets your company enhanced visibility and exposure in the workers' comp & safety community while contributing to the success of the conference and WSIA's efforts on behalf of the self-insured community. To confirm your sponsorship, call Kari at 800.736.7296 or kari.heinold@wsiassn.org.

Sponsorship opportunities are limited. The sooner you commit the more exposure your company receives.
