## 2020 WSIA Spring Conference Sponsorship Program

The Washington Self-Insurance Association will host its annual Spring Conference on March 13, 2020 at Embassy Suites in Bellevue. This meeting is open to WSIA employer, service company, and associate members statewide and invited guests. Spring conference attendance averages 80-100 people.

Spring Conference traditionally focuses on medical management and disability prevention in workers' compensation, and this year's program includes a multidisciplinary look at cutting-edge treatment issues, from hearing loss technology to legal issues around treatment authorization to evidence-based guidelines and more. Join our panel of medical experts and public policy leaders for a day of high quality continuing education and networking!
