WSIA's 55th Annual Conference
May 6-8, 2026
Three Rivers Convention Center

WSIA's marquee annual in-person event is back for 2026, taking place May 6-8 in Kennewick, Washington. This meeting is open to WSIA members across the country and invited guests. Previous in-person annual conference attendance has averaged in excess of 250, and the conference features the northwest's largest exhibition of workers' comp and risk mitigation goods and services.

This year's lively Annual Conference theme invites members to **"Saddle Up"** and take charge when it comes to complying with the latest legal and regulatory requirements, managing medical benefits, optimizing self-insurance program performance, and tackling other hot-button issues. Our sessions are designed to help attendees stay steady in the saddle as they make sense of the new, complex, and one-of-a-kind challenges self-insurers and industry partners must face navigating today's demanding legal, regulatory, and political terrain.

Your sponsorship is key to the success of WSIA's Annual Conference and demonstrates a commitment to supporting our advocacy and education efforts on behalf of the self-insured community. To confirm your sponsorship, return this form at kari.heinold@wsiassn.org.

Sponsorship opportunities are limited. The sooner you commit the more exposure your company receives.
